HAZARDOUS SUBSTANCE / PRODUCT DESIGNATION

Silicone Mold Release
Contains: Dichloromethane

DANGERS FOR HUMANS AND ENVIRONMENT

Harmful

R 40: Limited evidence of a carcinogenic effect.

Because of the high vapour pressure, containers are liable to burst if temperature rises. Reactions with strong acids.

PROTECTIVE MEASURES, RULES OF CONDUCT

Use only in well-ventilated areas. Provide solvent-resistant and impermeable floor. Do not store together with oxidizing agents. Protect from heat/overheating. Keep in a cool place, heat causes increase in pressure and risk of bursting.

Ensure adequate ventilation on workstation. Breathing apparatus in the event of high concentrations. Short term: filter apparatus, filter AX. Safety glasses. Avoid contact with eyes and skin. Do not inhale gases/vapours/aerosols.

Hand protection: Viton, >120 min (EN 374).

BEHAVIOR IN THE CASE OF A DANGER

Suitable extinguishing media: Carbon dioxide. Water spray jet. Dry powder. Foam.

Additional information: Fire residues and contaminated firefighting water must be disposed of in accordance within the local regulations.

Special protective equipment for firefighters: Use self-contained breathing apparatus.

Keep away from all sources of ignition. Ensure adequate ventilation. Use personal protective clothing.

Take up mechanically. Dispose of absorbed material in accordance within the regulations.

FIRST AID MEASURES

Inhalation: Ensure supply of fresh air. In the event of symptoms seek for medical treatment.

Eye contact: In case of contact with eyes rinse thoroughly with plenty of water and seek medical advice.

Skin contact: In case of contact with skin wash off immediately with soap and water. Consult a doctor if skin irritation persists.

General information: Remove contaminated soaked clothing immediately and dispose of safely.

DISPOSAL CONSIDERATIONS

Dispose of as hazardous waste. Uncontaminated packaging may be taken for recycling.
